SPECIAL PROVISION

AMENDMENT TO SECTION 417 -- COLD PLANING

This special provision addresses the Limited Reuse Soil issue for millings. All the requirements as set forth in the Standard Specifications are applicable except as modified or changed herein.

Add to Description:

3.5 Milled material not designated for salvage shall become property of the Design-Build Team and shall be recycled for RAP purposes, such as hot bituminous pavement, crushed gravel for shoulder leveling, and other RAP appropriate products.
